AGAR CORPORATION

- Interface Detectors
- Oil Water Monitors
- Multiphase Flow Meters
- Desalter Systems
- Tank Dewatering Systems

- PAC – Process Automation & Control Products
- Programmable Logic Controllers
- Human Machine Interface
- Variable Frequency Drives
- Software

- Process Control Systems
- Press, DP & Temp Transmitters
- Density Transmitters
- Fieldbus I/Os & Interfaces

- Process Wiring Connectivity
- Fieldbus I/Os
- Signal Conditioning

- Differential Press Gauges
- Differential Press Switches
- Flow Meters & Flow Gauges
- HVAC Instrumentation

- Venturi Meters
- Flow Nozzles
- Wedge Meters

- Panel Devices
- Terminal Bocks & Hardware
- Relays & Timers
- Circuit Protection Devices
- Motor Controls & Starters
- Control Stations

- Command & Control Centers
- Control Room Consoles
- Dispatch Consoles
- Technology Tables

- Ultrasonic Flare Gas Flow Meters
- UFM Manager Software Solutions
- Product Support & Servicing

- Remote I/Os
- Safety & Isolator Barriers
- HMIs & Panel Mount PCs
- Purge & Pressurization Sys.
- Strobes & Horns
- Power Dist. & Control Solutions
- Control Stations & Enclosures

- Wireless Radio Systems
- Signal Conditioners
- Power Supplies
- Alarm Trips & Telemetry Units

- Temperature Sensors
- Specialty Temp Sensors
- Protection Tubes

- Pressure Gauges
- Press. Transmitters & Switches
- Diaphragm Seals
- Bi Metal Thermometers

- Liquid Flow Meters
- Gas Flow Meters
- High Accuracy Turbine Meters
- Cryogenic & Low Flow Meters
- Flow Monitors

- Variable Area Flow Meters
- Oval Gear Flow Meters
- Seal Water Flow Meters
- Oil Lubrication Flow Monitoring Systems
- Oil Analyzers
- Air & Asbestos Sampling Devices

- Digital Panel & Loop Meters
- Alarm Annunciators
- Flow Computers

VALVES, ACTUATORS & ACCESSORIES

- Solenoid Valves – SIL & Non-SIL
- Redundant Control Systems
- Valves for Gas Applications
- Quick Exhaust Valves
- Air Cylinders
- Motion Controls
- Air Prep. & Filtration Products
- Pressure Sensors
- Valve Control & Proximity Sensing
- Limit Switches & Boxes
- DEFENDER™ Turbine Trip Monitors

- Safety Shut-Off Valves for Gas & Oil Applications
- Ball Valves
- Fuel Trains
- Flame Scanners & Ignitors

- Selector Valves
- Venting Valves
- Stack Valves

- Ball & Check Valves
- Plug Valves
- Double Block & Bleed Valves

- Quarter Turn Vane Type Actuators
- Limit Switches
- Pneumatic/Electropneumatic Positioner
- Damper Drives
- Fire Fail Safe Spring Units

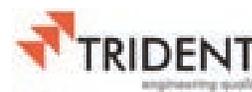

- Tube & Pipe Fittings
- Quick Connectors
- Instrumentation Valves – Ball & Needle
- Check & Plug Valves
- Industrial Hoses

HEAT TRACING SOLUTION

- Const Wattage Hi Temp Cable
- Self Regulating Heating Cable
- Heat Tracing Controllers

AIR DRYERS

- Dryspell Heatless Air Dryer
- Heatless Desiccant Dryers
- Coldspell Refrigeration Dryers
