PROVINCIAL CONTROLS

www.provincialcontrols.com

Provincial Controls is a leading expert in providing solutions for process and machine safety applications. In collaboration with the world's top experts, we help customers achieve safe, efficient, and profitable operations.

We represent manufacturers that are leaders in their fields, offering innovative solutions backed by decades of expertise you can rely on. We understand that critical industrial operations in high-hazard environments require high-quality safety solutions, so we provide products and services from the best in the industry. Our product experts are available to assist with product selection, tailored recommendations, installation guidance, and troubleshooting to ensure successful project outcomes.

SAFETY SYSTEMS & INSTRUMENTATION

HIMA SMART SAFETY.

- Emergency Shutdown Systems
- Burner Management Systems
- Turbo Machinery Systems
- Pipeline Protection Systems
- Pipeline Leak Detection Software
- Loop Splitters & HART MUXs
- Safety Relays

DET-TRONICS

- Combustible Gas Detectors
- Toxic Gas Detectors
- Carbon Monoxide Detectors
- Flame Detectors
- Smoke Detectors
- Fire & Gas Controllers
- Surveillance & Hazard Detection

ALCATRAZ® INTERLOCKS

- Mechanical & Electro-mechanical Interlocks
- Process, People & Environmental Safe Guards
- Industrial & Machine Guarding Systems

ASCO®

- Redundant Control System – SIL Rated Solenoid Control System
- SIL Rated Solenoid Valves

UE UNITED ELECTRIC CONTROLS

- SIL Rated Pressure Transmitters
- SIL Rated Temperature Transmitters
- SIL Rated Press. & Temp. Switches
- Wireless HART Gas Detectors

fireye

- Burner Controls
- Combustion Controls
- Flame Monitoring
- Spark Igniters
- Pilot Burners
